| 2       |                        |  <p>Technical drawing of a vertical pole. The drawing shows a long vertical cylinder with a smaller cylinder (cap) on top. Dimension lines indicate the following measurements: the total height of the pole is 3000; the height of the top cap is 500; the diameter of the top cap is <math>\varnothing 100</math>; and the diameter of the base of the pole is <math>\varnothing 250</math>.</p> |
